

PROPOSED GRAVEL BIKE/PEDESTRIAN TRAIL IN SOUTH HILLS

The 39th Street Neighborhood Council is requesting comments on a Recreational Trails Program Application (grant) for a gravel bike/ped trail connecting Hillview Way to Clearview Drive in the South Hills area. The proposed trail would be located on a private citizen's property, just east of Hillview Way, in a 12 foot easement dedicated to non-motorized public access. The grant being applied for would help pay for the construction of a 5 foot wide gravel trail and a fence along the easement line to corral livestock. This trail project has the approval of the Parks & Recreation Department, the Bicycle Pedestrian Advisory Board, the 39th Street Neighborhood Council, the Moose Can Gully Neighborhood Council and others.

Final Recreational Trails Program Application can be viewed at the Parks & Recreation Department at 600 Cregg Lane during normal business hours or on their website: <http://www.ci.missoula.mt.us/parksrec>

The comment period will run from April 1st through May 1st 2008. Please send comments to Dave Shaw, Parks & Trails Design Manager via e-mail at dshaw@ci.missoula.mt.us, by mail to 600 Cregg Lane, Missoula, Montana 59801 or by telephone at 406-552-6264.
